

## Business Jet Portfolio

### Aircraft technical & financial evaluation

#### Our Client:

A major European bank.

#### Background:

Six business jets with ongoing issues of default with borrowers.

#### Our Achievements:

We delivered a one-stop-shop solution, including:

- Survey and appraisal of each aircraft
- Market survey for each aircraft type
- Recommendation of strategies for management of risks incurred by the bank and when appropriate, repossession and sale of aircraft

Note: This project was not directly performed under The Sharpwings® banner but conducted by the Principals
