

Legacy 600

Aircraft sold by a European financier in Q3 2015 for the value appraised by The Sharpwings three months earlier.

The Sharpwings completed a full appraisal of the aircraft in Q2 2015 for a financier as part of its annual aircraft portfolio review. The aircraft was sold three months later.

Our insightful knowledge of the pre-owned market enabled us to set the right target sale price and demonstrated the accuracy of our evaluation model.
