

## ATR72-600

---

In December 2018, The Sharpwings advised on the sale of four new ATR72-600 to TrueNoord for lease to Wings Air, a subsidiary of Lion Air.

Previously in 2014, The Sharpwings completed the sale of two used ATR72-600s to a US Lessor thereby closing one of the very first sales of this new variant in the secondary market.

Subsequently in 2017, The Sharpwings advised TrueNoord on the purchase of the same aircraft from the US Lessor.
