

AW139

Q2 2018 – Appointed by a European bank to prepare the forthcoming redelivery of an offshore configured AW139 leased to a major helicopter operator.

Our turn-key package included:

- ✓ Full appraisal of the helicopter.
- ✓ Verification of compliance with redelivery conditions.
- ✓ Drawing up strategies for remarketing upon redelivery.

Our proactive and preventive approach to asset management minimised pitfalls and enabled the financier to make informed risk management decisions.
