

Gulfstream G280 Appraisal Case Study

Aircraft sold in Q3 2021 for the value appraised by **The Sharpwings** four months earlier

The Sharpwings completed a **desktop appraisal** of the aircraft in Q2 2021, as part of a financier's annual aircraft portfolio review. The aircraft was **sold** four months later **at a price on par with our valuation**.

Our **insightful knowledge of the pre-owned market enabled us to set the right target sale price** for the seller, demonstrating the accuracy of our valuation model and accelerating the sale process.
